Magistrate: Maria Valdez

Status Concerning a Settlement Attorney

On November 5, 2019, I got a Phone Call from Antonio Lee, Assistant State's Attorney.

When we talked, He asked me what will I take to Settle this case out.

I wrote Him Back, Informing Him that i Do not understand ~~this~~ this process and that I will get Back with Him on another Day. This attorney is aware that I'm not a Settlement Attorney or a attorney at all. I Have No Knowledge of How this process takes place. I Do not know How to Negotiate Because i Don't know what i Should Be Negotiate or Determine the amount of Damages that Should Be awarded to Me Because i Sustained a Life Long injury's. (With that Be said). Come you please inform me on the Status on me getting a Court appointed attorney. I have <sup>been</sup> Unsuccessful in finding a attorney on my own. also every time it's time for me to Have a Status Conference Call, for Some reason it get Canculed and

I never get a chance to inform the court to what's going on with this matter, like I've been calling the state's attorney office to talk about what ever i think i need to talk about and he will not ~~answer~~ answer the pre-paid call when i call. I truly believe that if i had a attorney, things will move along alot faster and with less stress and this point of the suit. please judge I need a attorney at this point.

Came you please send me the status on this matter 9.5.9. P

I'm also sending you a copy of the letter that i sent to the Defendant(s)
